

Kenneth Lange aka (Karousin Kenny)

I am running for one of the Member at Large positions. I think I am qualified because I love people, and enjoy having fun, and helping other people have fun, even if it is at my own expense. I have been an Emerald Coast Parrothead for somewhere around at least 5 years. I feel I want to do my duty, to help promote having fun, and partying with a purpose. I have sat on the sidelines (occasionally falling off the bench) for long enough and think it's time for me to get in the game.
